

# Christ Is All We Need

## [Philippians 4:1-21](#)

**On this Resurrection Sunday, let us look to Christ as the answer to life's problems.**

**I ask you to mediate on the bullet comments and verses. I pray that we will be able to worship and fellowship together real soon. God will continue to bless you and know that I miss and love you all.**

**If you feel like you want to quit----vs 1**

**When it looks like divisions in Christ----vs 2-3**

**Don't let depression ride-----v4**

**Give gentle words of encouragement-----v5**

**Don't be anxious-----v6**

**Be prayerful for everything----6**

**Be thankful for anything---6**

**Let the peace of God work in you-----v7**

**Reflect on good things----v8**

**Remember Christ is your substance----v9-10**

**Christ is our satisfaction----v11-12**

**Christ is our strength----v13**

**Christ is our sustainer----v14-21**

**I pray as you read and study this you will be encouraged to stand fast and be unmovable in Christ. The world has been given a wake-up call and the saints of the living God must respond in a Christ like manner.**

**God bless each of you,**

**Bishop Nance**
